

MANUNUI COASTAL HILLCLIMB 2021

The Waitemata Branch VCC, with support from the Historic Racing and Sports Car Club is planning to hold a hillclimb on a private sealed road on the Manunui Coastal Estate on the 28th March 2021.

We cordially invite you to enter a vehicle/s for this important event for the Waitemata Branch.

The proposed venue is a well sealed two lane private road of sealed bitumen, with a varied grading and numerous corners, giving an approximate course length of 1.2km.

It is a fun course to drive and should be an interesting challenge for your vehicles. We are looking to keep the number of competitors to a manageable number to allow for plenty of time on the hill. Many of the competitors who competed at last years event have said that it's the best hillclimb venue they have participated at. Get your entry in early so as to not miss out. Entries close 21st March.

We are also arranging a BBQ and catering at lunchtime for drivers and volunteers covered as part of your entry (additional persons at \$10 per head).

All pre-1961 are eligible to enter and post 1960 at the discretion of the organiser. But we cannot accept wings or slicks, cars with excessive horse power. Period correct tires and wheel widths re the order of the day. If you have a vehicle post 1960 and have doubts that it may comply with the philosophy of the club we invite you to submit an entry for more than one of your vehicles to increase your chance of acceptance. (The organiser reserves the right to refuse any entry without necessarily giving a reason.)

Eligible vehicles will need a VCC VIC or a MSNZ COD and Drivers require a relevant race licence.

Please contact us as soon as possible if you are interested in entering, as we are limiting the number of cars to ensure plenty of time on the Hill!

Please send entries through to waitemata@vcc.org.nz
